Technical Data Sheet

Semi Synthetic Two Stroke Engine Oil

Semi Synthetic Two Stroke Engine Oil

Two Stroke Oils

Description

Revolution Semi Synthetic Two Stroke Engine Oil is specifically designed for excellent protection and cleanliness in two stroke engines . It guarantees superior control against the blocking of the exhaust system and reduces exhaust smoke.

Application

Revolution Semi Synthetic Two Stroke Engine Oil is suitable for both oil injection and premix systems. It is particularly recommended for garden machinery and scooters.

Performance Level

- API TC
- JASO FC
- ISO-L-EGC

Benefits

- Excellent engine efficiency and power
- Good self mixing properties
- Reduced exhaust smoke
- Reduces exhaust blockages
- Excellent engine protection and cleanliness for enclosed engines
